

# Ricky Martin - Private Emotion

Tom: C  
Intro: C G F F  
C G F F  
C G Am

Every endless night has a dawning day  
Every darkest sky has shining ray  
And it shines on you  
Baby can't you see  
You're the only one who can shine for me

It's a private e - motion that fills you tonight  
And a silence falls be - tween us  
As the shadows steal the light  
And wherever you may find it  
Wherever it may lead  
Let your private emotion come to me  
Come to me  
Come to me  
Come to me

When your soul is tired  
And your heart is weak  
Do you think of love  
As a one way street  
Well it runs both ways  
Open up your eyes  
Can't you see me here  
How can you deny

Am E G D

It's a private e - motion that fills you tonight

Every endless night has a dawning day  
Every darkest sky has shining ray  
It takes a lot to laugh  
As your tears go by  
But you can find me here  
Till your tears run dry

It's a private e - motion that fills you tonight  
And a silence falls be - tween us  
As the shadows steal the light  
And wherever you may find it  
Wherever it may lead  
Let your private emotion come to me  
Let your private emotion come to me  
Let your private emotion come to me  
Come to me  
Come to me
