

Ricky Montgomery - Line Without a Hook

```
And I found hope in a heart attack
                                                                                                                                                                  tom:
                                                                                           Ab (forma dos acordes no tom de G )
                                                                                                                                                                                                                                                                                                                                                                               Oh, at last, it is past
Capostraste na 1ª casa
                                                                                                                                                                                                                                                                                                                                                                               Now I've got it, and you can't have it
I don't really give a damn
                                                                                                                                                                                                                                                                                                                                                                                                                                                                             Em
                                                                                                                                                                                                                                                                                                                                                                             Oh, baby, I am a wreck when I'm without you
About the way you touch me
When we're alone
                                                                                                                                                                                                                                                                                                                                                                              I need you here to stay
                  С
You can hold my hand
                                                                                                                                                                                                                                                                                                                                                                              Crying at the lake
If no one's home
                                                                                                                                                                                                                                                                                                                                                                              Was it something I said to make you feel like you're a burden?
           G
Do you like it when I'm away?
                                                                                                                                                                                                                                                                                                                                                                              Oh, and if I could take it all back
C
D
If I went and hurt my body, baby
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   Am G Bm
                                                                                                                                                                                                                                                                                                                                                                               I swear that I would pull you from the tide
Would you love me the same?
                                                                                                                                                                                                                                                                                                                                                                               (Am G Bm)
I can feel all my bones coming back % \left( 1\right) =\left( 1\right) \left( 
                                                                                                                                                                                                                                                                                                                                                                              Darling, when I'm fast asleep
And I'm craving motion
Mama never really learned how to live by herself
                                                                                                                                                                                                                                                                                                                                                                               I've seen this person watching me
                                                                                                                                                                                                                                                                                                                                                                               Saying: Is it worth it? Is it worth it? Tell me, is it worth
And it's growing
                                                                                                                                                                                                                                                                                                                                                                                  G
You're a pond and I'm an ocean
                                                                                                                                                                                                                                                                                                                                                                              0h-oh
Oh, all my emotions
                                                                                                                                                                                                                                                                                                                                                                               (Em C D G Em C D)
Feel like explosions when you are around
                                                                                                                                                                                                                                                                                                                                                                               Because there is something, and there is nothing
         Em C
And I've found a way to kill the sound, oh
                                                                                                                                                                                                                                                                                                                                                                               There is nothing in between
Oh, baby, I am a wreck when I'm without you \frac{D}{C}
                                                                                                                                                                                                                                                                                                                                                                               And in my eyes, there is a tiny dancer
                                                                                                                                                                                                                                                                                                                                                                                     C D
                                                                                                                                                                                                                                                                                                                                                                               Watching over me, he's singing
I need you here to stay
                                                                                                                                                                                                                                                                                                                                                                              She's a, she's a lady, and I am just a boy

Crying at the lake
                                                                                                                                                                                                                                                                                                                                                                              He's singing: She's a, she's a lady, and I am just a line
Was it something I said to make you feel like you're a burden?
Oh, and if I could take it all back
                                                                                                                                                                                                                                                                                                                                                                              Hook, baby, I am a wreck when I'm without you
                                                                                                                                            D
I swear that I would pull you from the tide % \left( 1\right) =\left( 1\right) \left( 1\right) \left(
                                                                                                                                                                                                                                                                                                                                                                               I need you here to stay
Oh, whoa, whoa, whoa
                                                                                                                                                                                                                                                                                                                                                                              Crying at the lake
                                                                                                                                                                                                                                                                                                                                                                              Was it something I said to make you feel like you're a burden?
I said no, I said no
                                                                                                                                                                                                                                                                                                                                                                               Oh, and if I could take it all back
Listen close, it's a no
                                                                                                                                                                                                                                                                                                                                                                               I swear that I would pull you from the tide
The wind is a-pounding on my back
