

## **Ricky Montgomery - Settle Down**

```
You got a kilt that won't start
                            tom:
                Eb
Intro: Bb Bb Bb Bb7
                                                               We'll meet again another day now
                                                                [Pré-Refrão]
I can't see why you won't move to {\sf LA}
                                                                           Fm7
You only call me when you're angry
                                                                You read my mind when you came by
                                                                             Fm7
I don't think this is gonna take
                                                                You hurt my head like a cheap red wine
             Eb7
                              Gm7
I can't see why you still live in New York
                                                                [Refrão]
I know this isn't what you came for
                         Eb Eb7
                                                                I wanna settle
I think I need a bit of space now
                                                                Gm7
                                                               Down
                                                                    Fm7
[Pré-Refrão]
                                                                With you
You read my mind when you came by
                                                                (I wanna settle down)
            Fm7
You hurt my head like a cheap red wine
                                                                    Fm7
                                                                With you
                                                                          Abm Bb
                                                                (I wanna) Ahh
I wanna settle
                                                                        Fb
                                                                I wanna complain
Gm7
                                                                          Gm7
   Fm7
                                                                About my day
With you
                                                                    Fm7
         Gm7
                                                               With you
(I wanna settle down)
                                                                         Gm7
    Fm7
                                                                (I wanna settle down)
With you
                                                                     Fm7
                                                                With you
          Abm Bb
(I wanna) Ahh
                                                                Fm7
         Eb
                                                                (I wanna)
I wanna complain
                                                                Abm Bb
         Gm7
                                                                Ahh
About my day
     Fm7
                                                                ( Bb Bb Bb Bb7)
With you
         Gm7
                                                                [Final]
(I wanna settle down)
    Fm7
                                                                                        Gm7
With you
                                                                I wanna leav?, leave America with you
 Fm7
                                                                          Gm7
                                                                (I wanna settle down) With you
(I wanna)
Abm Bb
                                                                          Abm Bb
                                                                (I wanna) Ahh
Ahh
                                                                        Gm7
                                                                Fh
( Bb Bb Bb Bb7)
                                                                Ahh-ah, Ah-Yeah, Ahh
                                                                Fm7 Fm7 Bb Bb
                                                               Ahh-ah Ahh-ah Ahh-ah
I grit my teeth to skip the next part
