Verse 2.

The hours that were yours echo like empty rooms

But thoughts that we once shared now I keep alone

I woke last night and spoke to you not thinking

you were gone

Then it felt so strange to lie awake alone

CHORUS

Verse 3.

My friends have tried to turn my nights to day

Strange faces in your place can`t keep the ghosts

away

But just beyond the darkest hour,just beyond the

dawn

It still feels so strange to lead my life alone

CHORUS
