

Rihanna - California King Bed

Tom: **G**

Solo:

Chest to chest, Nose to nose, Palm to palm
We were always just that close

Wrist to wrist, Toe to toe
Lips that felt just like the inside of a rose

So How come when I reach out my finger

It feels like more than distance between us

G **D**
In this california king bed
Em **C**
Were ten thousand miles apart
G **D** **Em**
I've been california wishing on the stars
C
For your heart on me
G
My california king
Eye to eye, Cheek to cheek, Side by side
You were sleeping next to me

Arm in arm, Dusk to dawn, With the curtains drawn
And a little last night on these sheets

So How come when I reach out my fingers

It feels like more than distance between us

G **D**
In this california king bed
Em **C**
Were ten thousand miles apart
G **D** **Em**

I've been california wishing on the stars

C
For your heart on me
G

My california king

Maybe I've been California dreaming
