

# Rihanna - Higher

Tom: C  
Intro: G Em C D

<sup>G</sup>  
This whiskey got me feelin' pretty  
<sup>Em</sup>  
So pardon if I'm impolite  
<sup>C</sup>  
I just really need your ass with me  
<sup>D</sup> <sup>F</sup>  
I'm sorry 'bout the other night  
  
<sup>G</sup>  
And I know I could be more creative  
<sup>Em</sup>  
And come up with poetic lines  
<sup>C</sup>  
But I'm turnt up off sizz' and "I love you"  
<sup>D</sup> <sup>F</sup>

Is the only thing that's in my mind  
  
<sup>G</sup> <sup>Em</sup>  
You take me higher, higher than I've ever been, babe  
<sup>C</sup>  
Just come over, let's pour a drink, babe  
<sup>D</sup>  
I hope I ain't calling you too late, too late  
  
<sup>G</sup>  
You light my fire  
  
<sup>Em</sup>  
Let's stay up late and smoke mary jane  
<sup>C</sup>  
I wanna go back to the alleyway  
  
<sup>D</sup>  
But I'm drunk and still with a full ash tray  
<sup>F</sup> <sup>G</sup> <sup>Em C D</sup>  
With a little bit too much to say

## Acordes
