

## Rihanna - Love On The Brain

```
And I can?t get enough
Intro: G Am Em D
                                                                Must be love on the brain
Verse 1:
                                                                Verse 2:
And you got me, let go
                                                                Then you keep loving me
        Am
                                                                Just love me, yeah
What you want from me?
What you want from me?
                                                                  Just love me
I tried to buy your pretty heart, but the price too high
                                                                All you need to do is love me yeah
Baby you got me like oh
                                                                           G
                                                                Got me like ah-ah-ah-ow
You love when I fall apart (fall apart)
                                                                I?m tired of being played like a violin
          Em
So you can put me together
                                                                          Em
                                                                What do I gotta do to get in your motherfuckin? heart?
And throw me against the wall
                                                                         G
                                                                Baby like ah, woo, ah
Baby you got me like ah, woo, ah
                                                                               Em
                                                                Don't you stop loving me (loving me)
Don't quit loving me (loving me)
              Em
Don't you stop loving me (loving me)
Don't quit loving me (loving me)
                                                                         D
                                                                Just stop loving me (loving me)
Just stop loving it babe (loving me)
                                                                Pre Chorus:
Pre Chorus:
                                                                Oh, and baby I?m fist fighting with fire
Oh, and baby I?m fist fighting with fire
           G
                                                                Just to get close to you
                                                                Can we burn something babe?
Just to get close to you
Can we burn something babe?
                                                                  And I run for miles just to get a taste
                                    D
 And I run for miles just to get a taste
                                                                Chorus:
Chorus:
                                                                Must be love on the brain
Must be love on the brain
                                                                That?s got me feeling this way
That?s got me feeling this way
                                                                        Em
                                                                It beats me black and blue but it fucks me so good
        Fm
It beats me black and blue but it fucks me so good
                                                                And I can?t get enough
And I can?t get enough
                                                                Must be love on the brain yeah
Must be love on the brain yeah
                                                                            Am
                                                                And it keeps cursing my name
            Am
And it keeps cursing my name
                                                                      Em
                                                                No matter what I do
     Em
No matter what I do
                                                                I?m no good without you
I?m no good without you
                                                                      D
                                                                And I can?t get enough
     D
                                                                Must be love on the brain
