

Rihanna - Love The Way You Lie (feat. Eminem)

Tom: F

Verso 1:

On the ^{Gm}first ^{Eb}page of our story,
the ^{Bb}future ^Fseems so bright.
And this ^{Gm}thing ^{Eb}turned out so evil,
I ^{Bb}don't ^Fknow why I'm still surprised.
Even ^{Gm}angels ^{Eb}have their wicked
schemes ^{Bb}and you ^Ftake death to new extremes.
But you'll ^{Gm}always ^{Eb}be my hero,
even ^{Bb}though ^Fyou lost your mind.

Refrão:

Just gonna ^{Gm}stand ^{Eb}there and watch me burn,
But that's ^{Bb}alright ^Fbecause I like the way it hurts.
Just gonna ^{Gm}stand ^{Eb}there and hear me cry,
But that's ^{Bb}alright ^Fbecause
I love the way you lie, I love the way you lie.
ooh...I love the way you lie.

Verso 2:

Now this gravel in our voices,
glass is shattered from the fight.
In this tug of war, you'll always win, even when I'm right.
Cause you feed me (1stchords.com) fables from your hand,
With violet words and empty threats and it's sick

that all these battles are what keeps me satisfied.

Refrão:

So maybe I'm a masochist
I try to run but I don't wanna ever leave.
Til the walls are goin'
up in smoke with all our memories.

(Eminem)

(Gm Eb Bb F)

This morning, you wake, a sunray hits your face
smeared makeup as we lay in the wake of destruction
hush baby, speak softly, tell me I'll be sorry that you
pushed me into the coffee table last night so I can push you
off me
try and touch me so I can scream at you not to touch me
run out the room and I'll follow you like a lost puppy
baby, without you, I'm nothing, I'm so lost, hug me
then tell me how ugly I am, but that you'll always love me
then after that, (1stchords.com) shove me, in the aftermath of
the
destructive path that we're on, two psychopaths but we
know that no matter how many knives we put in each other's
backs
that we'll have each other's backs, 'cause we're that lucky
together, we move mountains, let's not make mountains out of
molehills,
you hit me twice, yeah, but who's countin?
I may have hit you three times, I'm startin' to lose count
but together, we'll live forever, we found the youth fountain
our love is crazy, we're nuts, but I refused counselin'
this house is too huge, if you move out I'll burn all two
thousand
square feet of it to the ground, ain't shit you can do about
it
with you I'm in my f-kin' mind, without you, I'm out it
(Refrão)
