Tom: Eb

(com acordes na forma de C)
 Capotraste na 3ª casa
 Intro: 2x: Em G C

[Verse 1]

I was good on my own, that's the way it was, that's the way it was

You was good on the low for a faded fuck, on some faded love
 Shit, what the fuck you complaining for? Feeling jaded huh?

Used to trip off that shit I was kickin' to you
 Had some fun on the run though I give it to you

[Pre-Chorus]

But baby, don't get it twisted

You was just another nigga on the hit list
 Tryna fix your inner issues with a bad bitch

Didn't they tell you that I was a savage

Fuck your white horse and a carriage

Bet you never could imagine
 Never told you you could have it

[Chorus]

You nee-deeded me

Oooh, you nee-deeded me

To feel a little more, and give a little less

Know you're here to confess

But baby who, you nee-deeded me

[Verse 2]

You been rollin' around, shit I'm rollin up
 Light and roll it up

Break it down like a pound, shit was never us
 Shit was never us

That's the real on the real, are you serious?
 How you feel, how you feel?

Used to trip off that shit I was kickin' to ya
 Had some fun on the run though, I give it to ya

[Pre-Chorus]

But baby, don't get it twisted

You was just another nigga on the hit list
 Tryna fix your inner issues with a bad bitch

Didn't they tell you that I was a savage

Fuck your white horse and a carriage

Bet you never could imagine
 Never told you you could have it

[Chorus]

You nee-deeded me

Oooh, you nee-deeded me

To feel a little more, and give a little less

Know you're here to confess

But baby who, you nee-deeded me
