Dear diary,

It's Robyn.

Entertaining is something I do for a living.

It's not who I am.

I like to think that I'm normal.

I laugh.

I get mad.

I hurt.

I think guys suck sometimes.

But when you're in the spot light everything seems good.

(Oooh Yeah)

Sometimes I feel Like I have

it worst cuz I always have to keep my guard up.

I don't know who to trust.

I don't know who wants to date me for who I am.

Or who wants to be my friend for who I REALLY am.
