Letra da música:

(**E B Db**)
 I've been looking for a driver who is qualified
 So if you think that you're the one step into my ride
 I'm a fine-tuned supersonic speed machine
 With a sunroof top and a gangster lean

So if you feel me let me know, know, know
 Come on now what you waiting for, for, for
 My engine's ready to explode, splode, splode
 So start me up and watch me go, go, go,

Get you where you wanna go if you know what I mean
 Got a ride that's smoother than a limousine
 Can you handle the curves? Can you run all the lights?
 If you can baby boy then we can go all night

Goes from 0 to 60 in three point five
 Baby you got the keys-

Now shut up and drive
 (drive, drive, drive)

Shut up and drive
 (drive, drive, drive)

I got class like a fifty-seven Cadillac.
 Start over drive with a whole lot of boom in the back.
 You look like you can handle whats under my hood
 You keep saying that you will boy I wish you would

So if you feel me let me know, know, know
 Come on now what you waiting for, for, for
 My engine's ready to explode, splode, splode
 So start me up and watch me go, go, go, go

Get you where you wanna go if you know what I mean
 Got a ride that's smoother than a limousine
 Can you handle the curves? Can you run all the lights?

If you can baby boy then we can go all night
