

# Rihanna - Shut Up And Drive

Tom: E

(Introdução)

Ai Depois só repete: E B Db

Se quiser pode afinar a guitarra/violão como D A D G Be mas se deixar no normal também fica bom.

(Exemplo)

I've been <sup>E</sup> looking for a <sup>B</sup> driver who is <sup>Db</sup> qualified  
 So if you <sup>E</sup> think that you're <sup>B</sup> the one, <sup>Db</sup> step into my ride.  
 I'm a <sup>E</sup> fine-tuned <sup>B</sup> supersonic <sup>Db</sup> speed machine  
 Got a <sup>E</sup> sunroof <sup>B</sup> top and a <sup>Db</sup> gangster lead

Letra da música:

( E B Db )  
 I've been looking for a driver who is qualified  
 So if you think that you're the one step into my ride  
 I'm a fine-tuned supersonic speed machine  
 With a sunroof top and a gangster lean

So if you feel me let me know, know, know  
 Come on now what you waiting for, for, for  
 My engine's ready to explode, splode, splode  
 So start me up and watch me go, go, go,

Get you where you wanna go if you know what I mean  
 Got a ride that's smoother than a limousine  
 Can you handle the curves? Can you run all the lights?  
 If you can baby boy then we can go all night

Goes from 0 to 60 in three point five  
 Baby you got the keys-

Now shut up and drive  
 (drive, drive, drive)

Shut up and drive  
 (drive, drive, drive)

I got class like a fifty-seven Cadillac.  
 Start over drive with a whole lot of boom in the back.  
 You look like you can handle whats under my hood  
 You keep saying that you will boy I wish you would

So if you feel me let me know, know, know  
 Come on now what you waiting for, for, for  
 My engine's ready to explode, splode, splode  
 So start me up and watch me go, go, go, go

Get you where you wanna go if you know what I mean  
 Got a ride that's smoother than a limousine  
 Can you handle the curves? Can you run all the lights?

If you can baby boy then we can go all night
