

# Rihanna - Sledgehammer

Tom: F

[INTRO] D

D Bb Gm  
I hit a wall, I never felt so low, so low  
D Bb Gm  
Like a waterfall, my tears dropped to the floor, the floor  
D Bb Gm  
They left a swimming pool of salted crimes, crimes  
D Bb  
Oh, what could I do to change your mind?  
Gm  
Nothing

[PRÉ-REFRÃO]

D Bb Gm  
I'm bracing for the pain and I am letting go  
D Bb Gm  
I'm using all my strength to get out of this hole

[REFRÃO]

D Bb Gm  
I hit a wall, I thought that I would hurt myself  
D Bb Gm  
Oh I was sure, your words would leave me unconscious  
D Bb Gm  
And on the floor I'd be lying cold, lifeless  
D Bb Gm D  
But I hit a wall, I hit 'em all, watch the fall  
D Bb Gm D  
You're just another brick and I'm a sledgehammer  
D Bb  
You're just another brick and I'm a sledgehammer

D Bb Gm  
Yeah I hit a wall, I prayed that I would make it through, make it through  
D Bb Gm  
I can't survive a life that's without you, that's without you, yeah  
D Bb Gm  
And I will rise up from the ashes now, the ashes now  
D Bb Gm  
Oh, the sparrow flies with just the crumbs of loving spilled, yeah

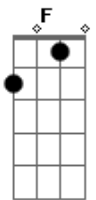

[PRÉ-REFRÃO]

D Bb Gm  
I'm bracing for the pain and I am letting go  
D Bb Gm  
I'm using all my strength to get out of this hole

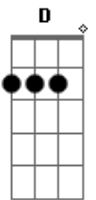

[REFRÃO]

D Bb Gm  
I hit a wall, I thought that I would hurt myself  
D Bb Gm  
Oh I was sure, your words would leave me unconscious  
D Bb Gm
