                                                                        and Don't tell me you're sorry 'cause you're not,
C G Bb2
How about a round of applause,

C G Bb2
A standin' ovation.
                                                                        Baby when I know you're only sorry you got caught, \ensuremath{\text{\textbf{C}}}
                                                                        But you put on quite a show Am7 F
You look so dumb right now,
C G Am7 F
Standin' outside my house,
                                                                        You really had me goin',
                                                                        But now it's time to go Am7 F
       G
Tryin' to apologize,
Am7 F
                                                                        Curtain's finally closin'
You're so ugly when you cry,
C G Bb2
                                                                        That was quite a show
                                                                        Am7 F Dm7
Please, just cut it out.
                                                                        Very entertainin',

                                                                        But it's over now (but it's over now),
F C Bb2
{refrão}
and Don't tell me you're sorry 'cause you're not,

C G Bb2
                                                                        Go on and take a bow,
Baby when I know you're only sorry you got caught, \ensuremath{\text{\textbf{C}}}
                                                                       And the award for the best liar goes to you (goes to you),

C F G Am7

For makin' me believe that you could be faithful to me,

Bb2
But you put on quite a show Am7 F
You really had me goin',
                                                                       Let's hear your speech out, C \scriptstyle G Am7 \scriptstyle F
But now it's time to go Am7 F
                                                                       How about a round of applause, C G Bb2
Curtain's finally closin'
                                                                        A standin' ovation.
That was quite a show
Am7 F Dm7
Very entertainin',
                                                                        But you put on quite a show
