

Rihanna - Watch N' Learn

Tom: C

Am
Won't say a thing
About the way you look me

G
Except for, I like the way
I love the way you touch me

Am
If I turn it leave it, turn it up
Then I drop it, drop it
Tell ya making faces
All the love you want
Tell me stop it

G
Imma do it, do it, do it
Till you can't take no more
Till my lipstick ain't up on my face no more

Am
Imma do it, do it, do it
On the bed, on the floor, on the couch
Only cause your lips say make it to my mouth

G
Just because I can't kiss back
Doesn't mean you can't kiss that

Am
Oh, baby, baby, just like that
Slow, baby, baby, just like that

G
Oh, baby, baby, turn me out
Oh, baby, baby, it's your turn now

Am
It's your turn now, it's your turn now
It's your turn now, it's your turn now

G
Watch and learn now, watch and learn how
Watch and learn now, eh eh eh eh

Am
Oh, baby, baby
Oh, baby, baby

G
If you learn now, if you learn now
If you learn how, I'll stay

Am
Don't ask me if
You were the first to sleep here

G
Cause if he did
You wouldn't even be here

Am
If I turn it leave it, turn it up
Then I drop it, drop it
Tell ya making faces
All the love you want
Tell me stop it

G
Imma do it, do it, do it
Till you can't take no more
Till my lipstick ain't up on my face no more

Am
Imma do it, do it, do it
On the bed, on the floor, on the couch

Only cause your lips say make it to my mouth

G
Just because I can't kiss back
Doesn't mean you can't kiss that

Am
Oh, baby, baby, just like that
Slow, baby, baby, just like that

G
Oh, baby, baby, turn me out
Oh, baby, baby, it's your turn now

Am
It's your turn now, it's your turn now
It's your turn now, it's your turn now

G
Watch and learn now, watch and learn how
Watch and learn now, eh eh eh eh

Am
Oh, baby, baby
Oh, baby, baby

G
If you learn now, if you learn now
If you learn how, I'll stay

Am G

Am

Am

G

C
By the way that you please me, baby

Am

Slow, baby, baby, just like that

G
Oh, baby, baby, turn me out
Oh, baby, baby, it's your turn now

Am
It's your turn now, it's your turn now
It's your turn now, it's your turn now

G
