

# Rihanna - What Now

Tom: E

**Abm** **B** **Gb**  
I've been ignoring this big lump in my throat. I shouldn't be crying.

**Abm**  
Tears were for the weaker days  
**B** **Gb**  
I'm stronger, now what, so I say, but something's missing

**Abm**  
Whatever it is, it feels like  
**B** **Gb**  
It's laughing at me through the glass of a two-sided mirror  
**Abm B** **Gb**  
Whatever it is, it's just laughing at me, and I just wanna scream:

**Gb** **Abm** **E**  
What now? I just can't figure it out  
**Gb** **Abm** **E**  
What now? I guess I'll just wait it out  
**Gb** **Abm** **E**  
What now?  
**Gb** **Abm** **E**  
Whoa, what now?

**Abm** **B**  
I found the one, he changed my life  
**Gb**  
But was it me that changed  
**Abm**  
And he just happened to come at the right time  
**B** **Gb**  
I'm supposed to be in love, but I'm numb again

**Abm**  
Whatever it is, it feels like  
**B** **Gb**  
It's laughing at me through the glass of a two-sided mirror  
**Abm** **B**  
Whatever it is, it's just sitting there,  
**Gb**  
Laughing at me, and I just wanna scream:

**Gb** **Abm** **E**  
What now? I just can't figure it out  
**Gb** **Abm** **E**  
What now? I guess I'll just wait it out  
**Gb** **Abm** **E**  
What now? Please tell me  
**Gbm** **Abm** **E**

What now?

**Abm** **B**  
**Gb**  
There's no one to call cause I'm just playing games with them all  
**Abm** **B** **Gb**  
**Ebm**  
The more I swear I'm happy, the more that I'm feeling alone  
**Abm** **B**  
Cause I spent every hour just going through the motions  
**Gb** **Abm**  
I can't even get the emotions to come out  
**B** **Db** **Eb** **E**  
Dry as a bone, but I just wanna shout

**Gb** **Abm** **E**  
What now? I just can't figure it out  
**Gb** **Abm** **E**  
What now? I guess I'll just wait it out (wait it out)  
**Gb** **Abm** **E**  
What now? Somebody tell me  
**Gbm** **Abm** **E**  
What now?

**G** **Am**  
I don't know where to go  
**F**  
I don't know what to feel  
**F**  
I don't know how to cry  
**G**  
I don't know oh oh why  
**Am**  
I don't know where to go  
**F**  
I don't know what to feel  
**F**  
I don't know how to cry  
**G**  
I don't know oh oh why  
**Am**  
I don't know where to go  
**F**  
I don't know what to feel  
**F**  
I don't know how to cry  
**G**  
I don't know oh oh why  
**Am** **F**  
So what now?
