Rilo Kiley - I Never

Tom: A

```
               A
i'm only a woman
Bm             Dbm      Bm
of flesh and bone
      A
an i wept much
       Bm
we all do
                        Dbm      Bm
i thought i might die alone

but i have
  A
  never never never never
  Bm
  never never never never
  Dbm              D
  never never met you
    E              A
so baby be good to me

                 Bm
i got nothing to give you, you see
       Dbm
except everything, everything,
  Bm
  everything, everything,
        A      Bm            Dbm      Bm
all the go-oo- oo-od and the bad
                 A
'cause i've been bad
               Bm
i've lied, cheated, stolen and
         Dbm                    Bm
been ungrateful for what i had
               A
and i'm afraid habits rule my waking life
      Bm                           Dbm          Bm
i'm scared and i'm runnin' in my sleep for you
             A
but all the oceans, and rivers and showers
             Bm                    Dbm          Bm
will wash it all away and make me clean for you

'cause i have
  A
  never never never never
  Bm
  never never never never
  Dbm
  never never never never
  D              E        A
  never never never met you

  Bm  Dbm  Bm  E

    D
so lets take a loan out
         Dm
put it down on a house
     A          A    Gbm
in a place we've never lived
       D
in a place that exists
       Dm
in the pages of scripts
        A     A         Gbm
and the songs that they sing
                 D
and all of the beautiful things
     Dm
that make you weep but
       E
don't have to make you weak

'cause i've
  A
  never never never never
  Bm
  never never never never
  Dbm
  never never never never
  Bm
  never never never never
  A
  never never never never
  Bm
  never never never never
  Dbm
  never never never never
              D
loved somebody the way
     E          A
that i loved you
