

# Rilo Kiley - I Never

Tom: A

i'm only a woman  
of flesh and bone  
an i wept much  
we all do  
i thought i might die alone  
but i have  
never never never never  
never never never never  
never never met you  
so baby be good to me  
i got nothing to give you, you see  
except everything, everything,  
everything, everything,  
all the go-oo- oo-od and the bad  
'cause i've been bad  
i've lied, cheated, stolen and  
been ungrateful for what i had  
and i'm afraid habits rule my waking life  
i'm scared and i'm runnin' in my sleep for you  
but all the oceans, and rivers and showers  
will wash it all away and make me clean for you  
'cause i have

never never never never  
never never never never  
never never never never  
never never never met you  
so lets take a loan out  
put it down on a house  
in a place we've never lived  
in a place that exists  
in the pages of scripts  
and the songs that they sing  
and all of the beautiful things  
that make you weep but  
don't have to make you weak  
'cause i've  
never never never never  
never never never never  
never never never never  
never never never never  
never never never never  
never never never never  
never never never never  
loved somebody the way  
that i loved you
