

Rilo Kiley - The Execution Of All Things

Tom: B

And we've been talking all night...

Tabbed by: Philip Lee

(Instrumental over verse chords)

Intro: B Db A B

Solo:

E Gb A
Soldiers come quickly, I feel the earth beneath my feet.
I'm feeling badly, it's not an attempt at decency.
And if you're well off, well then I'm happy some for you.
But I'd rather not celebrate my defeat and
Dbm B E
humiliation here with you.

Oh god come quickly, for the execution of all things. Let's
start with the bears and
air and then mountains rivers and streams. Then we'll murder
what matters to you and move
to your neighbors and kids. Crush all hopes of happiness with
disease cause of what you did.

Someone come quickly, this place was built for moving out.
Leave behind buildings, the
planners got mapped out. Bring with you history and make your
hard earned feast. Then
go to Omaha, to work and exploit the
Dbm B A C E
booming music scene and humility.

And lastly, you're all alone with nothing left but sleep. But
sleep never comes to you,
just the guilt and forever

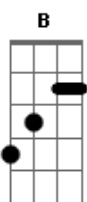

Bm A G Gb7

Dbm B A C
wakefulness of the weak. It's just you and me...
The execution of all things.

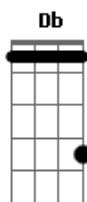

Bm A G Gb7

Outro: C B E
