

Ringo Starr - A Dose Of Rock 'N' Roll

tom: Ab Eb Db

All right
 You're feelin' down
 You're feelin' blue
 You do know that you care
 But you don't know what to do

[Primeira Parte]

If your mama don't feel good
 Or your daddy don't feel good
 Take a dose of rock 'n' roll
 And wash it down with cool
 Clear soul, aha

[Segunda Parte]

You better get your ripple soles out
 Ease out all your mean controls
 Take a dose of rock 'n' roll
 And wash it down with cool
 Clear soul, aha

[Ponte]

Turn on your radio
 Start dancin' to the moon
 That old heart radio

It's gonna get you
 Get you, get you in the mood
 (Get you, get you, get you)

[Terceira Parte]

You better get your ripple soles out
 Ease out all your mean controls
 Take a dose of rock 'n' roll
 And wash it down with cool
 Clear soul, aha

If your mama don't feel good
 Or your daddy don't feel so good
 Take a dose of rock 'n' roll

 Hey, hey, baby

(Dose of rock 'n' roll)
 Why don't you take some rock 'n' roll?
 (Take some rock 'n' roll)
 Just take some rock 'n' roll
 (Take some rock 'n' roll)
 Oh, oh, take some
 (Take some rock 'n' roll)
 Oh, I'm gonna take it
