

Ringo Starr - Drowning In The Sea Of Love

tom:
Intro: Gm C Gm
[Refrão]
I've been down one time
And I've been down two times
But now I'm drowning
Drowning in the sea of love

[Primeira Parte]

I've been here so very long
I've lost all my direction
But baby, when you came my way
I thought I had found perfection
But a strong wind came into my life
It surely took me by surprise
I can't seem to control these tears
Flowing from my eyes

[Refrão]

I've been down (one time) one time
I've been down (two times) two times
But I'm drowning, drowning in the sea of love

[Segunda Parte]

You know that I depend on you
For our love's navigation
But now that you deserted me
I'm in desperation
But I'm in the middle of a bad love storm
It really took me by surprise
I look around and all I see
Is water coming over me

[Refrão]

I've been down (one time) one time
I've been down (two times) two times
But I'm drowning, drowning in the sea of love
