

Ringo Starr - Elizabeth Reigns

tom:

Intro: C B F G

[Refrão]

Elizabeth reigns over and under
Elizabeth reigns lightning and thunder
Elizabeth reigns since I was younger
She's head of the family
Elizabeth reigns over me

[Primeira Parte]

The Queen mum is dead
But she lives in my head
Since the world was at war
We all felt her pain, but never complained
We all loved her more

[Refrão]

Elizabeth reigns over and under
Elizabeth reigns lightning and thunder
Elizabeth reigns since I was younger
Goodbye to the jubilee
Elizabeth reigns over me
Elizabeth reigns over me

[Segunda Parte]

A letter unsent, entombed in cement
And hung from the hanging tree
God save the Queen if you know what I mean
We don't really need a king
(we don't really need a king)

[Ponte]

Six hundred servants use her detergents
Scrubbing the palace floor
And all of our sins are (all of our sins)
As big as the windsors
So let's point our fingers no more

No more, erom on
Erom on, no more

[Refrão]

Elizabeth reigns over and under
Elizabeth reigns lightning and thunder
Elizabeth reigns since I was younger
Goodbye to the jubilee
Elizabeth reigns over me
Elizabeth reigns over me
