

# Ringo Starr - Hard To Be True

tom:

Intro: **Bb**

[Primeira Parte]

**Bb**  
Here in the night is when the memories fly  
'Cause when I'm alone, I'm alone and I can't lie  
It doesn't matter what I do, I'm still in love with you  
Why is it so hard, so hard to be true

[Segunda Parte]

**Bb**  
If I could take back all the things I've done  
When I live in the past I relive everyone  
Lying to myself, I knew I break my heart in two  
Why is it so hard, so hard to be true

[Refrão]

Time after time  
**Am** I a record that's been broken

**G** **Am** **F**  
I know that I'm outside a door that I can't open  
The words through love I'd never spoken

( **Bb** **Gm** **Eb** )  
( **F** **Gm** **G** )

[Refrão]

Time after time  
**Am** I a record that's been broken  
**G** I know that I'm outside a door that I can't open  
The words through love I'd never spoken

[Terceira Parte]

**Bb**  
It's such a surprise to feel so much regret  
But you are a love I know I won't forget  
What I did I can't undo, I really wish I knew  
Why is it so hard, so hard  
Why is it so hard, so hard  
Why is it so hard, so hard to be true
