

Ringo Starr - Hopeless

Tom: **D**
 Intro: **D E G D**

D
 When I woke up this morning
A
 Much to my surprise
 The sun was going down
D
 And I was still alive
 I looked into the mirror
A
 And according to my eyes
 The Martians have invaded
D
 It's hopeless

D E G D

D
 I went to see my doctor
A
 To ask him what to do
 Depending on the
 Diagnosis
D
 I said, "Doc, I'm seeing double
A
 And how are both of you?"
 No cause for alarm
D
 It's hopeless
G

You don't stand a chance
D
 It's hopeless
A **D**
 Everybody dance
D
 Well, there's paradise and doomsday
A
 It depends on which comes first
 There's inner peace
D
 Through meditation
D
 There's optimists and pessimists
A
 I don't know which is worse
 But the yogi mow mow, but the yogi mow mow
D
 It's hopeless
G
 The solution has been dissolved
D
 The crisis has been resolved
A
 There's no need to change your plans
D **D7**
 It's a hopeless situation
G
 For tomorrow is another day
D
 And everything will be okay
A
 And by the way
D
 It's hopeless, hopeless
