

Ringo Starr - It Don't Come Easy

Tom: C

It don't come easy
 You know it don't come easy
 Got to pay your dues if you want to sing the blues
 And you know it don't come easy
 You don't have to shout or leap about
 You can even play them easy
 Forget about the past and all your sorrow
 The future won't last it will soon be over tomorrow
 I don't ask for much I only want your trust

And you know it don't come easy
 Then this love of mine keeps growing all the time
 And you know it just ain't easy
 Open up your heart let's come together
 Use a little love
 And we will make it work out better
 (S O L O e estrofe 1)
 Please remember peace is hell we make it
 Here within your reach if you're big enough to take it
 (estrofe 2 p/ terminar)
