

Rio Romeo - Butch 4 Butch

tom:

B

[Primeira Parte]

My sweetheart's piano is rat filled
 And mine is infested with bugs
 The music we make is unnatural
 But it sounds just like
 Falling in love

[Refrão]

This butch
 This butch
 This butch
 This butch
 She makes me go weak in the knees
 But I can't let her see me swoon
 Or else she will think I am weak

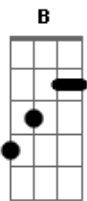

[Segunda Parte]

Tomorrow I'll dig through the garbage
 And we'll fish out all kinds
 Of neat trash
 And when we go back to my apartment
 She'll probably kick my fucking ass

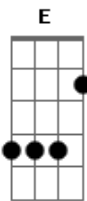

[Refrão]

 Or else she will think I am weak

[Terceira Parte]

I sing her songs in my garage
 And make her fall in love with me
 And once we're done, the sun is gone
 W? both just sit so nervously
 I talk real slow and speak r?al low
 Hoping she'll lean into me
 But we just laugh cause What was that?
 We can't take ourselves seriously

[Refrão Final]

This butch
 This butch
 This butch
 This butch
 She makes me go weak in the knees
 But I can't let her see me swoon
 Or else she will think I am sweet
