

Rise Against - Audience Of One

Tom: F
Intro: 2x: F C Dm Bb

Verso 1:
F C
I can still remember
The words and what they meant Dm
As we etched them with our fingers Bb
In years of wet cement
F C
Days blurred into each other
Though everything seemed clear Dm
We cruised along at half speed Bb
But then we shifted gears

Pré-Refrão:
Dm Bb F Gm
We ran like vampires from a thousand burning suns
Dm Bb C
But even then we should have stayed

Refrão:
Dm Bb
But we ran away
F C
Now all my friends gone
Dm Bb F C
Maybe we've outgrown all the things that we once loved
Dm Bb
Runaway
F C
what are we running from ?
Dm Bb F C
A show of hands from those in this audience of one
Dm C Bb
Where have they gone ?

Verso 2:
F C
Identities assume us
As nine and five add up Dm
Synchronizing watches Bb
To the seconds that we lost
F C
I looked up and saw you

Dm
I know that you saw me
Bb
We froze but for a moment
In empathy

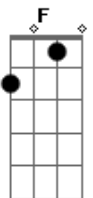

Pré-Refrão:
Dm Bb F Gm
I brought down the sky for you but all you did was shrug
Dm Bb C
You gave my emptiness away

Refrão:
Dm Bb
And you ran away
F C
Now all my friends gone
Dm Bb F C
Maybe we've outgrown all the things that we once loved
Dm Bb
Runaway
F C
what are we running from ?
Dm Bb F C
A show of hands from those in this audience of one
Dm C Bb
Where have they gone ?

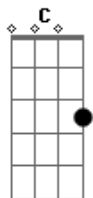

Ponte:
Dm Bb F Dm Bb C
We're all ok, until the day we're not
Dm Bb F Dm Bb C
The surface shines, while the inside rots
Dm Bb F Dm Bb C
We raced the sunset and we almost won
Dm Bb F Dm Bb C
We slammed the brakes, but the wheels went on

Refrão:
Dm Bb
And we ran away
F C
Now all my friends gone
Dm Bb F C
Maybe we've outgrown all the things that we once loved
Dm Bb
Runaway
F C
what are we running from ?
Dm Bb F C
A show of hands from those in this audience of one
