

Rise Against - Endgame

Tom: D

Bm **D**
And on that day they'll tell you
G **Gb**
That life hummed on with no clue
Bm **D** **G** **Gb**
The warning signs were all dismissed or shouted down
Bm
So it goes

D
The kings all failed to tell us
G **Gb**
The madmen failed to sell us
Bm **D** **G** **Gb**
On what would then befall the only life we know

G
Were they burning signal fires
A
To guide us to the fields?
G
Or building funeral pyres?
D **Gb**
The outcome of a final appeal

Bm **D** **G**
The city lines are down
Gb **Bm**
The kerosene's run out
D **G** **Gb**
The fracturing of all we relied upon
Bm **D**
Let's shed this unclean skin
G **Gb**
And start to feel again
Bm **D**
'cause all the shoulders
G **Gb** **Bm D G Gb**
On which to cry are gone

Bm **D**
The paranoia gripped us
G **Gb**
The rain turned engines to rust
Bm **D** **G** **Gb**
The panic set in like a cancer to our hearts
Bm
Spreading through
D

We bet on finite genius
G **Gb**
Or prayed for gods to save us
Bm **D**
But there was no antidote
G **Gb**
Disease tore us apart
G

We left bodies in the fields
D **Gb** **Bm**
So numb that we forgot how to feel

Bm **D** **G**

The city lines are down
Gb **Bm**
The kerosene's run out
D **G** **Gb**
The fracturing of all we relied upon
Bm **D**
Let's shed this unclean skin
G **Gb**
And start to feel again
Bm **D**
'cause all the shoulders
G **Gb**
On which to cry are gone

G **A**
He looked at the fields
G
And then his hands
A
"All I need is what I have"
G **A** **G** **Gb**
Then fell a tear of happiness, Oooohhhh
G **A**
She watched the world crumble away
G **A**
"Is this the end of yesterday?"
G **A** **G**
"Lord, I hope so, " is all he said
A **G**

All gone are the old guards
A **G**
Gone are the cold, cold wars
A **G**
Weightless we go forth
Gb **Bm D G**
On wings of amnesty

Gb
All we relied on now

Bm **D** **G**
The city lines are down
Gb **Bm**
The kerosene's run out
D **G** **Gb**
The fracturing of all we relied upon
Bm **D**
Let's shed this unclean skin
G **Gb**
And start to feel again
Bm **D**
'cause all the shoulders
G **Gb** **Bm**
On which to cry are gone

D **Gb** **Bm**
No more, no more
D **Gb** **Bm**
No more, no more
D **Gb** **Bm**
No more, no more
D **Gb** **Bm**
The weight that we once felt is gone
