

# Rise Against - rumors of my demise have been greatly exaggerated

Tom: C  
Intro: 4x: Am Dm F G

Am Dm F  
So please don't ask me how  
G Am  
I ended up at my wits end  
Dm F  
And breaking down  
G Am Dm  
Pages torn from books we never read  
F G  
Cause we're plugged into this grid  
Am Dm  
Don't pull this plug right now  
F G  
Or then we'd really have to live

F Dm  
When I die, will they remember not  
F Dm  
What I did, but what I haven't done?  
F Dm  
It's not the end that I fear with each breath  
F G  
It's life that scares me to death

C  
When we built these dreams on sand  
G  
How they all slipped through our hands  
Am F  
This might be our only chance  
C  
Let's take this one day at a time  
G  
I'll hold your hand if you hold mine  
Am F  
The time that we kill keeps us alive  
( Am Dm F G ) (4x)

Am Dm F  
Your words won't save me now  
G Am Dm F  
I'm at the edge feeling the sweat drip from my brow  
G Am Dm  
"Get a grip on yourself" is what they say  
F G  
Every hour, every day  
Am Dm  
Hands over my ears  
F G  
I've been screaming all these years!

F Dm  
When I die, will they remember not

We left empty handed again!  
Dm C Dm  
Shots fired into the sky  
C Bb  
Are now returning!  
F G C  
Where the fuck will you hide?  
Dm C Dm  
Hiding from the laughter in the closets of our lives  
C Bb F C  
But the door hinges are squeaking letting in thin shards of  
light  
C Dm  
And now a hand's extending outward  
C Dm  
Quiet comfort they invite  
C Bb  
Do we dare take what they offer?  
F C  
Do we step into the light?
