

Rise Against - The Violence

Tom: Eb

Dancing on the ^{Am} crumbling precipice
 The rocks are coming loose just at the edge
 Are we laughing? ^F Are we crying?
 Are we drowning? ^G Are we dead?
 Or is it all a dream? ^{Am}
 The bombs are getting closer everyday
 'That can never happen here - we used to say
 Have these wars come to our doorstep? ^F
 Has this moment finally come? ^G
 Or is it all a dream? ^{Am}
 Are we not good enough? ^F
 Are we not brave enough? ^G
 Is the violence in our nature ^{Am}
 Just the image of our maker? ^G
 Are we not good enough? ^F
 Are we not brave enough? ^G
 To become something greater ^{Am}
 Than the violence in our nature? ^G
 Are we not good, good enough? ^F
 Or is it all a dream? ^{Am}
 To a predetermined fate are we condemned ^{Am}
 Or maybe we're a book without an end
 We're not stories, we're not actors ^F
 We're awake and in control ^G
 And this is not a dream ^{Am}
 So can we break this mold ^{Am}
 And set in motion something new
 Forgetting what we know ^F
 An evolution overdue ^G
 Fight the current ^F
 Pull the ripcord ^G
 Get away!
 F

Are we not good enough?
 Are we not brave enough? ^G
 Is the violence in our nature ^{Am}
 Just the image of our maker? ^G
 Are we not good enough? ^F
 Are we not brave enough? ^G
 To become something greater ^{Am}
 Than the violence in our nature? ^G
 Are we not good, good enough? ^F ^G ^{Am}
 Well trodden paths are all we take
 We need a storm
 Let's pray for rain now ^{Am}
 To wash these roads away ^C ^G
 Let's get off track and wander far
 Same roads lead to same destinations ^{Am}
 Follow nothing but your heart ^C ^G
 We're talking in our sleep
 And sleeping through our lives ^{Am}
 We dream of the places ^C
 Where we never die ^{Am}
 We step from our shadows ^C
 And into the light ^G ^{Am}
 Are we not good enough? ^F
 Are we not brave enough? ^G
 Is the violence in our nature ^{Am}
 Just the image of our maker? ^G
 Are we not good enough? ^F
 Are we not brave enough? ^G
 To become something greater ^{Am}
 Than the violence in our nature? ^G
 Are we not good enough? ^F ^G
 Are we not brave enough? ^F ^G
 Are we not good, good enough? ^F ^G
 Or was it all a dream? ^{Am}
