

# Rising Appalachia - Fall On My Knees

tom:

[Refrão]

I'd fall on my knees  
Fall on my knees  
Fall on my knees for you, little girl  
I'd fall on my knees  
For you

I'd fall on my knees  
Fall on my knees  
Fall on my knees for you, little girl  
I'd fall on my knees  
For you

[Primeira Parte]

I wish to the world  
I'd never left home  
Why'd I choose to roam, little girl?  
Why'd I choose to roam?

[Segunda Parte]

I never would have seen your  
blue blue eyes  
And heard your lying tongue little girl  
Heard your lying tongue

[Terceira Parte]

Little girl look down

That long lonesome road  
Hang down your head and cry, little girl  
Hang down your head and cry

[Refrão]

I'd fall on my knees  
Fall on my knees  
Fall on my knees for you, little girl  
I'd fall on my knees  
For you

[Quarta Parte]

The longest train that ever I saw  
99 coaches long, little girl  
99 coaches long

[Quinta Parte]

The only girl I ever did love  
She's on that train, done gone, little girl  
She's on that train, done gone

[Sexta Parte]

If I had as many dollars as the sands in the sea  
I'd give them all for you to marry me, little girl  
I'd give them all for you to marry me

[Refrão]

I'd fall on my knees  
Beggin you please  
Come and go with me, little girl  
Come and go with me
