

# Rita Benneditto - Há Mulheres

tom: C

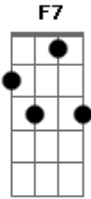

Há mulheres que se pintam de caulim  
 Na costa do marfim  
 Para o deus louvar  
 Eu também me pinto para o luar, em mim

A prata derramar  
 Oh! Musa da inspiração!  
 Oh! Musa da inspiração!  
 Oh! Musa da inspiração!  
 Caia sobre mim este céu sem fim  
 Caia, sobre mim este céu
