

Rita Lee - Doce Vampiro

Tom: G

Intro 2x: Em Em Em Em

Venha me beijar, meu doce vampiro
 Oh, oh, uh, na luz do luar
 Ah, ah, venha sugar o calor de dentro do meu sangue vermelho
 Tão vivo, tão eterno veneno
 Que mata a sua sede que me bebe quente como um licor
 Brindando a morte e fazendo amor
 Meu doce vampiro, oh, oh, na luz do luar
 Ah, ah, me acostumei com você sempre reclamando da vida

Me ferindo, me curando a ferida
 Mas nada disso importa, vou abrir a porta prá você entrar
 Beijar minha boca até me matar
 Sha,la,la,la Oh,oh,uh, Sha,la,la,la
 Oh,oh,uh Ah,ah,aah,ah Oh,oh,uh, Ah,ah,aah,ah
 Ah, ah, me acostumei com você sempre reclamando da vida
 Me ferindo, me curando a ferida
 Mas nada disso importa, vou abrir a porta prá você entrar
 Beijar minha boca até me matar
 de amor
