

# Rita Lee - Every Breath You Take (Bossa And Roll)

Tom: A  
Intro: A Gbm D E Gbm

Every breath you take      Every move you make  
 Every bond you break      Every step you take  
 I'll be watching you  
 Every single day      Every word you say  
 Every game you play      Every night you stay  
 I'll be watching you

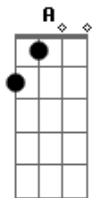

Oh can't you see      You belong to me  
 How my poor heart aches      with every step you take  
 Every move you make      Every vow you break  
 I'll be watching you

Every smile you fake      Every claim you stake  
 I'll be watching you

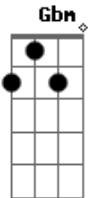

Since you've gone I've been lost without a trace  
 I dream at night i can only see your face  
 I look around but it's you i can't replace  
 I feel so cold and i long for your embrace  
 I keep crying baby, baby please  
 I'll be watching you  
 Oh, baby pleeeeeease

Every move you make      Every vow you break  
 Every smile you fake      I'll be watching you ...
