

# Rita Lee - Flagra

Tom: A

(intro) A Db7 D E E

No escurinho do cinema  
 Chupando drops de aniz  
 Longe de qualquer problema  
 Perto de um final feliz

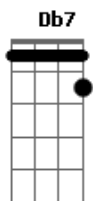

Se a Deborah Kerr que o Gregory Peck  
 Não vou bancar o santinho

Minha garota é Mae West  
 Eu sou o Sheik Valentino  
 Mas de repente o filme pifou  
 E a turma toda logo vaiou  
 Acenderam as luzes, cruzes!  
 Que flagra!  
 Que flagra!  
 Que flagra!
