

Rita Lee - In My Life

Tom: A

(Lennon/McCartney)

[Intro:] A E

There are places I'll remember

In my life, though some have changed

Some forever, not for better

Some have gone and some remain

Gbm B7

All these places had their moments

With lovers and firends I still can recall

Some are dead and some are living

In my life I've loved them all

But of all these friends and lovers

There is no one compares with you

And these memories lose their meaning

When I think of love as something new

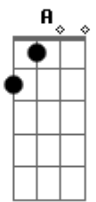

Though I know I'll never lose affection

For people and things that went before

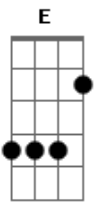

I know I'll often stop and think about them

In my life I'll love you more
