Lucy in the sky with diamonds

Follow her down to a bridge by a fountain  
Where rocking horse people eat marshmallow pies  
Everyone smiles as you drift past the flowers  
That grow so incredibly high

Newspaper taxis appear on the shore  
Waiting to take you away  
Climb in the back with your head in the clouds  
And you're gone...

Picture yourself on a train in a station  
With plasticine porters with looking glass ties  
Suddenly someone is there by the turnstile  
The girl with kaleidoscope eyes
