

# Rita Ora - Follow Me (feat. Sam Feldt)

tom:

**Gb**

When the days stop pouring and the rain has dried  
**B** **Gb**  
 I know you're the person I want by my side  
**Db** **Gb**  
 Scared to let my heart go free and dive in blind  
**B** **Gb**  
 'Cause love and heartbreak, they walk a thin line

**Ebm** **Db** **Gb**  
 Yeah, nobody can love me like you  
**Abm** **Gb** **Db**  
 But that means you got the power to hurt me too

**B** **Gb**  
 When I fall in deep, say you'll follow me  
**Db** **Ebm** **B**  
 'Cause I really need to know, that you'll stick around  
**Gb**  
 When my walls come down  
**Db** **Ebm**  
 Won't be phased by what's underneath  
**B**  
 Yeah, you know I've been hurt  
**Gb**  
 But I'm learnin' what love's like  
**Db** **Ebm**  
 With you, like with you  
**B** **Gb**  
 Oh, wh?n I fall in deep, say you'll follow me  
**Db**  
 Show me how far we can go

**B**  
 Woah, oh, oh, oh, oh  
**Gb**  
 Woah, oh, oh, oh, oh  
**Db** **Ebm**  
 Say you'll follow m?, say you'll follow me  
**B**  
 Woah, oh, oh, oh, oh  
**Gb** **Ebm**  
 Woah, oh, oh, oh, oh  
**Db** **Ebm**  
 Say you'll follow m?, say you'll follow me

**B** **Gb**  
 I have my reasons for takin' it slow  
**Db** **Ebm**  
 'Cause we all got demons, yeah, we all got ghosts  
**B** **Gb**  
 But every time I've broken down, you've picked me up  
**Db** **Ebm**  
 Yeah, you put back all the pieces

I thought that I'd lost

**Ebm** **Db** **Gb**  
 Yeah, nobody can love me like you  
**Abm** **Gb** **Db**  
 But that means you got the power to hurt me too

**B** **Gb**  
 When I fall in deep, say you'll follow me  
**Db** **Ebm** **B**  
 'Cause I really need to know, that you'll stick around  
**Gb**  
 When my walls come down  
**Db** **Ebm**  
 Won't be phased by what's underneath  
**B**  
 Yeah, you know I've been hurt  
**Gb**  
 But I'm learnin' what love's like  
**Db** **Ebm**  
 With you, like with you  
**B** **Gb**  
 Oh, wh?n I fall in deep, say you'll follow me  
**Db**  
 Show me how far we can go

**B**  
 Woah, oh, oh, oh, oh  
**Gb**  
 Woah, oh, oh, oh, oh  
**Db** **Ebm**  
 Say you'll follow m?, say you'll follow me  
**B**  
 Woah, oh, oh, oh, oh  
**Gb**  
 Woah, oh, oh, oh, oh  
**Db**  
 Show me how far we can go

**B**  
 Woah, oh, oh, oh, oh  
**Gb**  
 Woah, oh, oh, oh, oh  
**Db** **Ebm**  
 Say you'll follow m?, say you'll follow me  
**B**  
 Woah, oh, oh, oh, oh  
**Gb** **Ebm**  
 Woah, oh, oh, oh, oh  
**Db** **Ebm**  
 Say you'll follow m?, say you'll follow me

**B**  
 Woah, oh, oh, oh, oh  
**Gb**  
 Woah, oh, oh, oh, oh  
**Db** **Ebm**  
 Say you'll follow m?, say you'll follow me

**B**  
 Woah, oh, oh, oh, oh  
**Gb**  
 Woah, oh, oh, oh, oh  
**Db** **Ebm**  
 Say you'll follow m?, say you'll follow me
