

# Rita Ora - How We do

Tom: G

And party and bullsh-t...  
And party, and party

G C  
I stumbled up to the window  
G C  
Opened the curtains to blinding light  
G C  
Make up all over the pillow

What went on? what went on?  
C

What went on last night?

G C  
You look so sweet while you're dreaming

G C  
Holding your bottle of tanqueray

G C  
It isn't even the weekend

Em D  
Maybe that's, how I know, you're the one for me

Hook:

G C  
I wanna party and bullsh-t  
G C  
And party and bullsh-t (with you)

G C  
And party and bullsh-t

G C  
And party and bullsh-t

G D  
And party, and party

CHORUS:

G C  
Cause when the sun sets baby

Em D  
On the avenue

G C  
I get that drunk sex feeling

Em D  
Yeah, when I'm with you

G C Em D  
So put your arms around me baby,

G C  
We're tearing up the town

Em D  
Cause that's just how we do

G C  
We got that sweet heart loving

Em D  
Dancing in the dark

G C  
Out in the streets we're running,

Em D  
Shut down every block

G C Em D  
So put your arms around me baby,

G C  
We're tearing up the town

Em D G C  
Cause that's just how we do, how we do-o-o

Em D  
Yeah, that's how we do

G C  
How we do, that's just how we do

G C  
How we do, that's just how we do

G C  
Hungover I think I'm broken

Em C  
You said the fix is a shot of jack

G C  
I said man what are you smoking

Em D  
But alright, pour a glass and we'll throw em back
