

Rita Ora - Soul Survivor

Tom: **G**

m

[Primeira Parte]

Gm **Eb** **Cm**
It's been seven long years fighting for your attention
Eb
Manipulated by fear and misdirection
Gm **Eb** **Cm**
Wrapped in your ugly chains, swore you'd rise me to heaven
Eb
Brought me nothing but pain, was that your intention?

[Pré-Refrão]

Gm **Eb**
Damn frustrating that you think I could never make it
Cm **Eb**
Look who's standing right in front of you Yes, it's me
Gm **Eb**
What you doing? Did you think you would see me ruin?
Cm **Eb**
After all the shit that I've been through

[Refrão]

Gm **F**
I'm a soul survivor, I made it through the fire
Eb **F**
I started with nothing, I've got nothing to lose
Gm **F**
I'm a soul survivor, I made it through the fire
Eb **F**
I started with nothing, I've got nothing to lose
(**Gm** **F** **Eb** **F**)

[Segunda Parte]

Gm **Eb** **Cm**
You gonna see your mistake, get it out in the open
Eb

Yeah if you wanna play, let's get this rolling
