

Ritt Momney - Phoebe

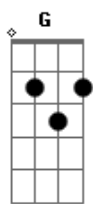

tom:
 G
 She said she's waiting for when she will break
 Don't let it be today,
 Don't let it be today
 'Cause her and I have things we'd like to try
 Some feelings she still hides
 Until she finds the wine
 (G G7M Em D C)
 She's absolutely shameless
 [Primeira Parte]
 G G7M Em D
 Just like the sky whenever it's too bright
 Sometimes it hurts my eyes
 But I don't need my sight
 G G7M Em D

If I feel her sass, and I can taste her laugh
 She's never really mad
 and she smiles when she is sad
 She can't fool me
 She can't fool me
 But she can take me away, or up any stairway
 The further we can stray
 The better are the days
 I am a flower that's never seen the sun
 I guess that I'm too young
 But the soil, it weighs a ton
 And I can't breathe
 Uncover me
 (G G7M Em D Am Am7 D7)
 (G G7M Em D Am Am7 D7)
 (G G7M Em D Am Am7 D7)
 (G G7M Em D Am Am7 D7 G)
