

# Rival Sons - All That I Want

Tom: G  
Intro: G

If i could make you love me  
I would not want you to  
It's you that i want  
And not what i want from you  
If i could help you see me  
The way that i see you  
Hope you like what you see  
And i hope that it pleases you  
I don't care what it takes  
From me to give to you  
I'll do anything that you ask me to  
You're all that i want  
You're all that i want  
  
If you could feel my heartache  
Each time you walk away  
You would never leave  
And i would never ask you to stay

If you could only hear me  
The way i hear your voice  
It would bring you to tears  
  
And i want you to have a choice  
I dont care what it takes  
From me to give to you  
I'll do anything that you ask me to  
You're all that i want  
You're all that i want  
If i could make you love me  
I would not want you to  
It's you that i want  
And not what i want from you  
If i could help you see me  
The way that i see you  
Hope you like what you see  
And i hope that it pleases you
