

Rival Sons - All That I Want

Tom: G
Intro: G

If i could make you love me
I would not want you to
It's you that i want
And not what i want from you
If i could help you see me
The way that i see you
Hope you like what you see
And i hope that it pleases you
I don't care what it takes
From me to give to you
I'll do anything that you ask me to
You're all that i want
You're all that i want

If you could feel my heartache
Each time you walk away
You would never leave
And i would never ask you to stay

If you could only hear me
The way i hear your voice
It would bring you to tears

And i want you to have a choice
I dont care what it takes
From me to give to you
I'll do anything that you ask me to
You're all that i want
You're all that i want
If i could make you love me
I would not want you to
It's you that i want
And not what i want from you
If i could help you see me
The way that i see you
Hope you like what you see
And i hope that it pleases you
