

Rival Sons - Where I've Been

tom:

G

She said since we've been together

F C

I tried not to keep secrets

C G

I was so lost then

F C

I don't like to talk about it

C G

See, I needed money

F C

Cause the habit wasn't cheap

F C

I gave them my body

G

Now my memory won't let me sleep

C G

Now I lay beside you

F C

And when you touch me

F C

I feel like I don't deserve you

G

That's when you remind

C G

She says how could you love me

D

When you know where I've been

F C

She says how could you love me

D

When you know where I've been

F C

How could you love me

G

When you know where I've been

C G

You said when I came home

F C

I tried to put myself back together

C G

The war is still going on

F C

Now my brother is still in danger

C G

Now I'm the soldier

F C

And the tradition runs deep

F C

I gave them my body

G

Now my memory won't let me sleep

C G

Now I lay beside you

F C

And when you touch me

F C

I feel like I don't deserve you

G

That's when you remind

C G

She says how could you love me

D

When you know where I've been

F C

How could you love me

D

When you know where I've been

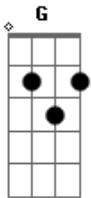

F C

How could you love me

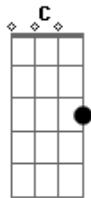

G

When you know where I've been
