

# Rivers & Robots - Author / Perfector

tom:  
 G  
 You've been there from the start  
 The Author of my peace  
 Beginning and the end  
 You are surrounding me  
 It all begins with You  
 This life is Your design  
 You're with me 'til the end of time

[Refrão]  
 And You are worthy of the highest praise  
 The Author and Perfector of our faith  
 And nothing else compares to Your great name  
 You turn brokenness to beauty  
 You turn brokenness to beauty  
 ( Am7 Em Bm C )  
 ( Am7 Em Bm C )

[Segunda Parte]  
 And nothing in this world  
 Could ever take your place  
 And nothing else compares to your unending grace  
 Whatever I have gained  
 I count it all as loss  
 To know this all-surpassing love  
 [Refrão]
