

Rivers & Robots - Discovery

tom:

F
[Primeira Parte]

F
You are
More real than I know
Help me remember
That I'm not alone

Am
Your word
Is life to my soul
Help me remember
That You're in control

[Ponte]

'Cause when You speak
I feel my heart burn within
Teach my soul
To be always listening

[Segunda Parte]

Am
Your word
Is a light to my path
Help me remember
You're the first and last

Am
And You are
The beautiful one
Whenever I see You
I am o-vercome

[Ponte]

And You are
Never-ending in Your ways
I could search out
Your heart for all my days
And Lord I need You
In my life
And nothing else can
Satisfy
