

# Rivers & Robots - Discovery

tom:

G

[Primeira Parte]

F You are  
 More real than I know  
 Help me remember  
 That I'm not alone

Am Your word  
 Is life to my soul  
 Help me remember  
 That You're in control

[Ponte]

'Cause when You speak  
 I feel my heart burn within  
 Teach my soul  
 To be always listening

[Segunda Parte]

Am Your word  
 Is a light to my path  
 Help me remember  
 You're the first and last

Am And You are  
 The beautiful one  
 Whenever I see You  
 I am o-vercome  
 [Potne]  
 And You are  
 Never-ending in Your ways  
 I could search out  
 Your heart for all my days  
 [Pré-Refrão]

And Lord I need You  
 In my life  
 And nothing else can  
 Satisfy  
 [Refrão]

Now that I know

Now that I know
