          E                A
From the moment that You spoke light into darkness
     B             A
All time and space began its course

As Your hand stretched out the heavens like a curtain
       B                  A
Every living thing, Your word brought forth
Abm            Gbm               Abm
  And all of creation sings Your song
                  Gbm             Abm
The stars and the oceans join as one

Forevermore

[Segunda Parte]

    E            A
Oh Son of God You came as flesh and bone
         B           A
On the cross You bore the weight of sin
         E          A
And You rescued us and called us as Your own
          B           A
Lord You tore the veil and brought us in
Abm             Gbm              Abm
  And all of my sin was laid on You
                 Gbm              Abm
As You gave Your life to make me new
                  Gbm              E
You rose from the grave, so I can too
         A
Oh my redeemer

( E  A  B  A )

[Terceira Parte]

              E              A
Now You're seated at the right hand of the Father
            B            A
With Your ransomed ones around Your throne
               E              A
And You're bringing Earth and Heaven back together
        B           A
In a place that we can call our home
Abm             Gbm              Abm
  One day we'll see You face to face
                 Gbm                       Abm
With angels and saints we'll sing Your praise

And worship the name above all names
