

# Rivers & Robots - Overflow

tom:

G  
All that my heart desires  
I see in You my God  
All that I'm longing for  
Is found in You my God  
Your love flows like a river to my soul  
And You fill up my heart 'til it overflows  
You make me come alive  
Your spirit lives in me  
You bring the dead to life  
And cause the blind to see  
Your love flows like a river to my soul  
And You fill up my heart til it overflows  
( G Bb Eb F )  
( Cm Gm F )  
( Gm Dm Eb Eb7M )  
And so I bow  
In humble adoration I surrender  
Nothing else compares to knowing You God  
Nothing else can ever take Your place  
(Jonathan Ogden & Nathan Stirling)  
So Lord I come  
To give to You an offering of worship  
Cause no one else is worthy of the glory

Dm Eb Eb7M  
You alone deserve the highest praise
