

Riverside - We Got Used To Us

tom:
 Capostrate na 3ª casa

[Primeira Parte]

When I scroll back through our recent days
 I try to understand
 How we could forget
 We made a promise to one another
 That nothing would ever break what we had
 Now we never talk when we fall apart
 We never talk when we fall apart

We pretend we're ok
 Surrounding ourselves with one-way friendships
 And so-called friends

[Refrão]

I know we got used to new us
 And I don't want to be there
 I don't want to be there
 Where we are
 I know we got used to new life
 And I don't want to be there
 No, I don't want to be there
 Where we are

[Segunda Parte]

Silence fallen between
 All the doors are locked
 All the words unsaid
 And we're still afraid of time
 Started to keep ourselves

At a distance that we could control
 Not too close
 Not too far
 Now we never talk when we fall apart
 We just never talk when we fall apart
 We pretend we're ok
 By filling up our inner space
 With little hates
 And so-called love

[Refrão]

I know we got used to new us
 And I don't want to be there
 I don't want to be there
 Where we are
 I know we got used to new life
 And I don't want to be there
 No, I don't want to be there
 Where we are

[Solo] Em D A C
 Em D A C Am

[Refrão]

I know we got used to new us
 And I don't want to be there
 I don't want to be there
 Where we are
 And I don't want to be there
 No, I don't want to be there
 Where we are
 So walk away with me
